NOVEMBER 2020

Nissan Parts & Accessories e-commerce Newsletter

October was an outstanding month for the Nissan Parts & Accessories Online program! Thanks to your support and the Fall Car Care Promotion, we hit **\$1 million** in combined program sales for the first time in program history. To celebrate further, we set a new monthly sales record for Nissan.

Let's keep the momentum going. In this month's newsletter, we share how to make the most of the upcoming holiday shopping season. Plus, learn how to utilize the SimplePart Control Panel to add in-store pick-up options: an important customer service touchpoint for orders with hazardous materials.
